

# SOLAR

KEEPS YOUR LIFTGATE WORKING ALL DAY.

Go Power!®

BATTERIES STAY CHARGED WITH AN INDEPENDENT SOLAR SYSTEM – WITHOUT THE BURDEN OF CONNECTING TO AN ALTERNATOR.

POWER GENERATION WITHOUT IMPACTING HEIGHT (1/8" thick panels)

CONTINUOUS BATTERY CHARGING (while driving or parked)

82% lighter than glass

## SOLAR FLEX™ POWER SYSTEMS

- 2 to 3 year ROI
- Eliminates downtime
- need for trail charger
- battery replacement
- Works with all liftgates
- Charges batteries when truck is not being used
